

MAC 2018 YEAR-END UPDATE

Municipal Advisory Council of Michigan

SAVE THE DATE – RETURN OF THE FBI – APRIL 2019

By popular demand, we have arranged for the FBI to return as our presenter at the next joint-meeting of the MAC and The Bond Club of Detroit, **April 17, 2019**, at VisTaTech Center, Schoolcraft College in Livonia, MI. The subject will be a recap of public corruption, investigations, indictments and convictions from 2015 through 2018. Tentatively our Guest presenter will be Special Agent Bob Beeckman. (Many of you may recall his presentation at the April 2015 meeting covering The Kilpatrick Enterprise. His manner of speaking and style was well-received; not the usual G-Man in a suit!)

The normal starting time for the meeting will be 3:00PM followed by a networking reception. Please place this date and time on your calendar. Watch for future updates and reminders.

MOST RECENT PENSION & OPEB PRESENTATIONS

Our most recent meeting with presenters Eric Scorsone, PhD, Michigan State University and Todd Tauzer, Director, S&P Global Ratings, received many follow-up inquiries and requests for their slides covering pensions and OPEBs. Access to their PowerPoints are attached below.
